

# ONE SUPPLIER 2000 SOLUTIONS

**7:20AM**

Transformed rusted motors covers to stable base using Krylon® Rust Tough™ No-Prep™ Rust Converter enamel paint. Cleaned up with water.

**7:42AM**

Blasted dirt, grease and carbon build-up from sensitive electronic parts, without flash hazard or CFCs, using Sprayon™ S02020 Plastics Contact Cleaner.

**8:12 AM**

Treated several critical, high-friction parts with Tri-Flow™ lubricant. Filled surface irregularities with its micronized Teflon, premium oils and extreme pressure additives.

**8:48AM**

Closed water-seeping gaps on both interior and exterior trim with White Lightning™ 3006 All-Purpose Caulk.

## Your Trusted Supplier In The Uptime Battle

Now you can go to just one supplier for all of your premium maintenance products...one who excels in "specialty," high-performance formulations.

The Industrial Sales professionals of Sherwin-Williams offer expert application solutions for paints, chemicals, lubricants, professional cleaners, industrial coatings, applicators, caulks and sealants. Available exclusively through industrial distributors nationwide.
